

Dear Friends,

I hope this letter finds you in good health. After forty years of practicing dentistry, I have decided that I am ready to begin the next chapter of my life. I will be retiring on August 7th. First and foremost, I want to express my heartfelt gratitude to each of you for entrusting me with your dental care over the years. It has been an honor and a privilege to serve as your dentist. Your trust and support have meant the world to me, and I am grateful to have had the opportunity to be a part of your life.

The future of Graniteville Dental Solutions is in excellent hands with Dr. Joshua John. Dr. John possesses exceptional dentistry skills, a deep compassion for patients, and a commitment to staying at the forefront of dental advancements. I have every confidence that he will provide you with the same level of care and attention that you deserve and have come to expect from me and our practice.

I would also like to introduce Dr. Stephanie Mastrota and Dr. Arnold Benak Jr. who will be joining the Graniteville team starting August 7, 2023. Dr. Mastrota brings over twenty years of clinical experience and Dr. Benak brings over forty years of clinical experience. Their extensive dental skills will undoubtedly bring a wealth of knowledge and remarkable oral healthcare. I am confident that their dedication to patient care and commitment to dental excellence will benefit you.

I have had the great fortune to work in a job that I love, in my hometown, serving the friends and neighbors that I grew up with, and getting to know so many new families over the years. Thank you for allowing me to be a part of your lives. May your smiles continue to radiate happiness and good health. I look forward to seeing you around town and at Husky games!

With warmest regards,

Dr. John Drew
