# WELCOME

## Joshua John DMD

Dr. John Drew and Dr. Yuvika Raj Kumar are excited to welcome Dr. Joshua John to our exceptional team of clinicians at Drew Dental Group.

Dr. John began his journey at the University of Pittsburgh, where he obtained his undergraduate degree in 2011. He continued on to the University of Pittsburgh School of Dental Medicine and acquired his Doctor of Dental Medicine (DMD) in 2016. Dr. John has been in private practice for 7-years in Maryland. This past July, he married Kirsten, who grew up in Madison Connecticut and was a major reason they chose to settle down here.

Dr. John values his patient's role in making educated decisions about their treatment, while creating an atmosphere that is comfortable and pain-free. Dr. John is experienced with implant restorations that include crowns and bridges, root canals, and restorations of natural teeth. He has a passion for providing treatment using the latest technology and is constantly seeking opportunities to advance his education.

Beginning on September 6th, Dr. John will be joining our team. We look forward to introducing you to Dr. John who shares our passion for quality and compassionate dentistry!
